Dear Potential Donor:

The Mid-America Karate Region is part of the International Shotokan Karate Federation. Mid-America Karate, Inc. is a 501(c)3 Not-For-Profit organization, teaching karate as a traditional martial art that benefits society by promoting health, self defense skills and character development of its participants.

Becoming a donor is easy to do! Just send us this completed form. Each Hole Sponsor will have an advertising sign placed on one of the 18 holes and their name placed in the Golf Outing Program which will be taken home by all the participants. In addition, there is an opportunity for you to add your marketing items to our "Goody Bags" which are also given to all Golf Outing participants. The funds generated from the golf outing help karate students who are in need to participate at regional camps, clinics and our annual regional tournament. This is done through a scholarship program which is administered by our Board of Directors. In addition to the aforementioned scholarships, funds generated also allow us to offer a small stipend to each student who represents our region in the ISKF National Championship tournament which is held once every year at various locations throughout the United States.

All donations are tax deductible as permitted by law.
